Good afternoon

I want to give you a quick update on our revitalization process.

During the last week of October the organizational committee will be going door to door passing out a packet of documents. The packet will contain an announcement for the general meeting to be held on November 15th, a proxy specific to this meeting and copies of all recorded documents of the HOA. Please mark your calendars for this meeting.

The meeting will be held at Longwood Hills Congregational Church on Saturday, November 15th from 10 AM to 12 PM and will also be attended by the attorney.,

Please keep in mind that the HOA will be revitalized exactly as reflected in the recorded organizational documents that you will have been given.

Once the required number of homeowner's approvals to revitalize the HOA have been received all required documents will be sent to the Florida Department of Commerce for approval. Upon that approval the documents will be recorded and copies returned to us.

After this process is completed the attorney will assist us in updating the bylaws and deed restrictions. Another general meeting will be scheduled at that time to discuss those changes before they are finalized.

If you have any questions or concerns please do not hesitate to contact me.
